OUR LINEAGE

COFFEE DAY GLOBAL

Nestled against the rolling hills of The Western Ghats, our coffee estates cater to millions of coffee lovers and bring them to our cafés across India, Malaysia, Austria, Czech Republic, Nepal and Egypt.

Coffee Day Global is Asia's largest integrated coffee company and has the second largest network of coffee estates in India. We are also one of India's leading exporters of coffee with clients across North America, Europe, The Middle East and South East Asia.

COFFEE DAY BEVERAGES

Under our vending machines business (branded as Coffee Day Beverages), as of February 2018, we have had 45,000 + vending machines placed at corporate and HORECA client premises all over India.

Our vending machine proposition integrates convenience with freshness, coupled with the finest ingredients while maintaining strict quality standards.

OPERATIONS & SERVICES

When we install a coffee vending machine in your premises, we take care of the maintenance and servicing required for it.

To ensure that our vending machines are operational at all times, we have a strong service team with a wide reach that enables us to provide our clients with a quick turnaround servicing of these machines to ensure they are performing at the optimum levels.

At Coffee Day Beverages we ensure preventive maintenance checks for every machine regularly, backed up by a skilled service team to meet turnaround time. To create a punctual, reliable and hassle-free coffee experience, we have established end-to-end service for our clients with a single point of contact for individual accounts.
